Subject: county dredging information
Post Standard Art- Dredge Fill 5-12-87.pdf

Hi Luis,

Thanks for your efforts to get us the drawings. We have found them very helpful. I know you are in the process of gathering more information about the dredge project (an earlier email mentioned that the County would provide us with additional info by May 16) , but I do have a specific request. Attached is a newspaper article I found from the Post Standard in 1987. The article mentions a list released by the County Dept of Drainage and Sanitation of 34 sites that received a dredge fill from Ley Creek. If it is available, please provide us with this list.

Thank you!

Lauren P. Charney
